

HOMES • LAND • INVESTMENTS

Hill Park Estates is an executive community consisting of six single-family homesites. Each property is carefully designed in order to maximize the value of your future home. Every homesite backs up to open space which is intended to be preserved in perpetuity and creates the feel of a multi-acre estate. Only two sites remain! Site 3, which is 1.15 acres of land and offers the potential for a lookout lower level and site 4, which contains nearly 1.3 acres of land.
